

Bewdley Historical Research Group annual report for Town Meeting on 19th April 2021

When our Treasurer, Charles Purcell, died in January 2020, the Group lost its home. Our library books are now housed in the Kenneth Hobson Room at 18 Load Street, Bewdley, which is also our official address. Much of our original material and research is stored in the History Room at the Museum. We also have items in other locations. However, we still exist as a research group and continue to offer our extensive knowledge of Bewdley's history to enquirers. It is hoped we will be able to run a "surgery" from the History Room when lockdown restrictions are lifted. Our new email address is bewdleyhistory@gmail.com.

Alan Scaplehorn, Chairman
