

1st Bewdley Rainbows

We opened up our Rainbow group December 2016 as there was a demand of young girls aged 5-7 years old who wanted to join.

We are a group of about 13 girls, who enjoy taking part in various life skill activities, planning, badges, crafts and trips. We have recently moved to the Old Grammar School, High Street, Bewdley, where we will be able to take part in fundraisers, cooking, camping skills, helping out the community and much more. We have a lovely enthusiastic team of 4 adults and a Young Leader, who volunteer their time each week to Girlguiding.

Since lock down, we have been continuing the meetings via zoom, but we prefer meeting face to face, which will be after the Easter break.
