

Bewdley Churches Together – “The Bewdley Passion”

Report to the Annual Town Council Meeting

19th April 2021

Because of the Covid situation, the annual Bewdley Passion events scheduled for Lent/Easter 2020 had to be cancelled.

Besides the traditional Passion events held on Good Friday, we had arranged for twenty pieces from one of Britain’s most important collections of modern religious art, the Methodist Modern Art Collection, to be on display in the Wyre Forest Gallery at Bewdley Museum for a period of four weeks in the lead up to Easter. The Collection includes work by eminent artists such as Graham Sutherland and Elizabeth Frink.

Around the exhibition a programme of workshops, talks, and reflections were to be hosted in our local churches.

We had originally hoped that the exhibition could be re-scheduled for 2021, but the continuing circumstances of the pandemic have made this impossible and we are now planning to hold it over Easter 2022.
