R Coleman	Prior Engagement

9721 DECLARATIONS OF INTEREST

Councillors were reminded to submit their Register of Interests and to declare any Disclosable Pecuniary and/or Other Disclosable Interests in items on the agenda and their nature.

Cllrs Byng, A Coleman, and Edginton White have a standing declaration in their role as a member of Wyre Forest District Council and Cllrs Byng and Edginton White in their role as Trustees to Friends of Riverside North Park; any comments made at town council meetings on Localism or Riverside North Park are made prior to possession of the full facts and would not amount to pre-determination.

9722 COUNCILLORS' DISPENSATIONS

Following a declaration of interest at minute reference 9721, it was noted that Cllrs Byng, A Coleman, and Edginton White have a dispensation in place up to May 2023 for discussion and voting on agenda items covering Localism and Riverside North Park.

9723 OPEN SESSION TO HEAR FROM:

- i) Members of the Public – A representative of the Civic Society thanked BTC for publicising the date and time of the Flood Management Scheme drop in event organised by the Environment Agency and reported that the Civic Society had concerns over the plans to erect a 2m high wall from Beales Corner down to Millside Court. The representative also stated that residents of Millside Court were also unhappy with its imposing size.
- ii) Representatives from Principal Authorities –
 - a) Worcestershire County Councillor Hardiman provided a report attached, page 1237 which was read aloud for the benefit of the audience and updated that the tactile studs at Catchems End had now been installed contrary to what was stated in his written report.
Worcestershire County Councillor Morehead reported that his updates concerned highways matters which had been circulated to the Road Safety Group.

- b) Wyre Forest District Councillors –
Cllr Edginton White reported on several issues as detailed below:
- 1) In response to the representative from the Civic Society it was remarked that the EA has considered proposals made by the society and it was intermated that some concession may be made to the design. The Flood Management Scheme would be likely considered at WFDC planning in December 2022 and the delay is caused by the requirement for increased funding for the project.
 - 2) A recently convened Parking Charges Committee met to discuss parking charges district wide focusing on evening and seasonal parking charges and the possible use of a residents parking scheme. WFDC is also looking to approach WCC to develop additional parking facilities with findings being forwarded to Cabinet for consideration.
- iii) Representatives from Supporting Services – PC Thomas stated that it had been a low crime month with night-time economy not presenting any real increase in antisocial activity. Noise complaints have been dealt with through WRS but there has been an increase in antisocial behaviour from youths with reports received about garden break-ins and town centre shop lifting with PC Thomas stating that two of the three next quarterly policing priorities could identify anti-social youth behaviour and town centre shop lifting as these are areas in which the local policing team would like to concentrate their efforts into. PC Thomas also touched on parking problems and the need for reports to be forwarded directly to the police by the person witnessing the offence at the time of the incident or through 'Operation Snap'. He stated that some perceived crimes reported through the town council were civilian enforcement matters and some were not considered criminal or civil enforcement issue at all. Council members enquired as to the identification of the culprits of the damage to Telford Bridge and the railings with PC Thomas replying that a crime had not been reported so no investigation was being made.
- iv) Representative of Bewdley High School – The Deputy Young Mayor reported that she had no report to present at this time.

The Deputy Young Mayor and PC Thomas left the meeting at 19:25hrs

9724 MINUTES OF PREVIOUS MEETING

To approve adoption of the minutes of the Town Council meeting held 11 July 2022.

RESOLVED: That the minutes of the Town Council Meeting be approved as an accurate record and signed by the Mayor.

9725 FINANCE

- i) To approve the schedule of accounts including approval of invoices to be paid, invoices paid as a matter of urgency and to note recurring expenditure to meet contractual obligations since the previous meeting. Please refer to schedule of payments page 1238. Cllr Killingworth highlighted the cost of postage and estimated that monthly postage costs for distribution of agendas and supporting information amounted to approximately £50. He asked if it were not possible for the council to consider the use of electronic agendas only or if paper copies were to be issued then these should be by request only and collected from the office in order to make cost savings on printing, paper and postage.

RESOLVED:

- a) That the schedule of payments as at 26 September 2022 be approved.
- b) That members be required to request if they wish for a printed agenda which they will need to collect from the office following an electronic summons being sent.

- ii) Riverside North Grounds Maintenance Contract FY23/24
It was reported that an approach had been made to the current contractor to ascertain projected costs should the contract be extended for a further 12 months resulting in the contractor agreeing to honour the current contract price without imposing an increase.

RESOLVED:

- a) That approval is granted to extend the ground maintenance contract for a further 12 months.
- b) That approval is given to make recommendation of budget provision for FY23/24 of £9,500.

- iii) External Auditor Report and Certificate 2021/2022
It was reported that the external Auditor had concluded that information provided was in accordance with proper practice with mention that in other matters of historic noncompliance of Trust Funds was being addressed. The report was **noted**.
- iv) Guildhall Alarm
It was reported that WFDC had requested that the intruder alarm at the office space leased to BTC be disconnected as it had an intermittent beep unable to be silenced with the fob. Using delegated authority in conjunction with the Mayor and costing £46 disconnection of the alarm has carried out. The report was **noted**.

- ii) Water Meter Installation at Town Council Office Borough House. The report was **noted**.
- iii) CCTV Control Room Visit Update. The report was **noted**.

9729 HONORARY FREEMAN/FREEWOMAN NOMINATION UPDATE

An update was provided outlining plans for the preparation of the Special Meeting which was confirmed as taking place on Tuesday 6 December at St Goerge's Hall at 6pm.

Members were asked if they wished to agree to the coding of expenditure as detailed within the report or if they wished for a virement from Mayoral Expenses to create a temporary budget under the Civic heading.

The Mayor understood that the award recipient had returned to hospital following recurring health issues and asked if alternative arrangements were needed.

The Town Clerk stated that following discussion with the Mayor that the Special Meeting could be brought forward and that the Mayor and Deputy Mayor could visit the recipient and her family to present the award and certificate which would enable the honour to proceed without causing undue stress.

RESOLVED:

- i) That the Honorary Freeman Pendant be coded to Mayoral Expenses.
- ii) That a virement of £50 from Mayoral Expenses be moved to the Mayoral Roll cost code to cover the overspend of the sign written Honorary Freeman board updated with the newly appointed member.
- iii) That the family of the recipient be asked if they wish for the Mayor and Deputy Mayor to visit in person to present the award.
- iv) That should the family wish to proceed with the changed arrangements that the Special Meeting be held as soon as practicable.

9730 THE BEWDLEY BRIDGE MAGAZINE

It was reported that the Bewdley Bridge Magazine has been relaunched with the council being asked if it wished to be a regular contributor at a cost of £50 per quarter. The magazine will be distributed in full colour to 5,000 premises and would be a beneficial method of information dissemination for those without access to other forms of electronic communication.

Members discussed who would produce content for the monthly page with some opting for contribution from each councillor on a rotational basis and one stating that they thought that council officers should carry out the work. It was confirmed that whichever method was chosen that the final draft would be reviewed by the office prior to submission.

RESOLVED:

- i) That approval is granted for BTC to become a regular contributor to the Bewdley Bridge Magazine.
- ii) That the Chair of each committee and Town Council would draft relevant updates, with the submission of further content if required to be provided by council officers.

9731 NEW TOWN COUNCIL WEBSITE UPDATE

Members received notice that the new website is near completion and would be going live at the end of the month. Members were also given the option of enabling an added planning feature to the website which would allow a direct feed from the district planning portal to the website planning page to view relevant plans for consideration by the Town Council. An example was provided to council members who were asked to consider approval of the App costing £15 per month.

RESOLVED: That approval is granted to subscribe to the planning App feature for the Town Council website.

9732 BEWDLEY INDEPENDENT BUSINESS PROMOTION

Following an approach from a local trader, members were asked if it wished to offer support for a nationally run scheme that helps promote local business and back the 'shop local' message. It was acknowledged that funding could not be provided however the council was willing to promote any independent event through social media and the website.

RESOLVED: That approval be granted to promote the event via electronic communication provided by the group organisers and ensuring that a disclaimer be attached stating that this was not a council organised activity.

9733 LAND AT KIDDERMINSTER ROAD – PERSIMMON DEVELOPMENT

A comprehensive report was provided to councillors in advance of the meeting detailing the transfer of the western parcel of land at Kidderminster Road from the developers Persimmon. It was reported that a provision of £33,500 would be made available through section 106 funding to be used for provision of footpaths and future maintenance. A further £2,000 would also be made available should the council agree to provide and maintain a defibrillator in the site area.

Considerable debate took place between members with Cllr Edginton White asking to speak and providing costings from neighbouring parishes of footpath resurfacing and provision between the costs of £27 - £37k. She also raised concerns regarding road flooding, culvert blockages, heritage stone wall collapse and the report detailing the need to protect the biodiverse nature of the site and specific management requirements.

Cllr Harrison remarked that he had reservations when the proposal was first brought to council regarding the liability of the land that proved no great benefit to the council and his view had not changed.

Cllr Byng stated that he had financial concerns regarding the maintenance in perpetuity of the land and stated that the council did not possess the specialist experience to take it on, and that the council should guard against these unknown financial implications.

Cllr A Coleman expressed concerns specifically relating to the culvert and that the important infrastructure would require regular maintenance with Cllr Killingworth stating that with

regular use of the road that the culvert may be at threat for possible collapse, both that and costs to preserve the land, may result in thousands being spent.

Cllr Stanczyszyn spoke in support of the transfer of land to BTC stating that the arguments made by other members were not relevant as these factors would only be applicable if BTC were to develop the land which it would not. He stated that BTC would not be responsible for the culvert and the council needed to take ownership to protect from future development. It was remarked by Cllr Harrison that there would not be a possibility of development of the land as it is designated as floodplain and if the current developers could build on it they would to maximise profit however they have already stated that the pocket of land is unsuitable for built development.

Cllr Morehead stated that BTC were being asked to take on increased services and responsibilities through localism and when the funding ceases then the burden to shoulder the ongoing cost of these assets would fall on the taxpayer.

Cllr Edginton White moved to propose to return an answer that BTC do not feel best placed to assume responsibility of the land and instead propose that the land and funding is transferred to a more specialist organisation which was seconded by Cllr A Coleman.

A vote was taken which resulted in 10 members voting for the for the proposal and 1 against.

RESOLVED:

- i) That the town council do not wish to proceed with the transfer of the western parcel of land indicated in blue on the designated plan.
- ii) In view of the resolution at point ii) the town council will not assume the purchase and future responsibility for a defibrillator sited in the development area.

RESOLVED: That Staffing Committee minute reference S2122/478 ii) a) – c) be ratified.

ii) To receive recommendations as detailed at minute reference S2122/479 v).

RESOLVED: That the recommendation of the Staffing committee held on 11 August 2022 of staffing structure option 3 be approved.

Minutes Reference 9723 ii) a) Worcestershire County Councillor Hardiman's Report

26th September 2022, County Cllr Ian Hardiman's Report to Bewdley Town Council:

Illegal Parking by Pedestrian Crossing near Grey Green Lane: I have been assured that the wooden knee rails designed to prevent parking of vehicles here will soon be installed.

Overgrown Pavement Stourport Road opposite the Leisure Centre: I have reminded the Highways Engineer that this pavement is still awaiting "siding-out" as requested several months ago.

B4195 Pavement Overgrowth: I am continuing to chase Highways to clear the overgrowth on the pavement from Blackstone area up to the new pavement which connects to Burlish. I have been contacted by local residents including those who use disability scooters; the pavement width is much narrowed and unsafe at this location.

Replacement Picnic Benches for Blackstone Car Park: I am disappointed and have expressed to the Highways Engineer, my concern with the time taken to install replacement benches here, especially as I have agreed to fund the cost of these through my Divisional Fund.

Sandstone Wall Bulging, Kidderminster Road near SVR Bridge: I have been chasing investigation of this matter, as Safety Concerns are held here.

Collisions' Damage to Bridge & Balustrades: I have been chasing Highways to commence these two repair works which are the result of two separate vehicle collisions.

Streetlamp Replacement by Northwood Lane junction: Whilst Highways agreed several months ago to provide a replacement lamp here, I am having to chase the actual works to be done.

Catchems End Zebra Crossing Tactile Studs: Disappointingly, the studs have still not yet been installed; I am constantly pursuing this with the Highways Engineer.

Bewdley Bridge, Pedestrian safety Concerns: Several residents have expressed their concerns regarding the narrow footpath across the Bridge and the dangerous proximity of large vehicles, especially at the Wribbenhall end of the Bridge.

I have pursued this with Highways Officers who unfortunately are unable to make any adjustments.

However, together with Bewdley County Councillor Dan Morehead, I recently met with the Chairman of Wyre Forest Cycle Forum who is asking for the County Council to consider installing a new separate foot & cycle bridge over the River. We referred this to the Leader of the County Council who has agreed to explore this; he has asked officers to prepare a report for consideration by the County Council's Cabinet, though this may be some months away.
